

CPD COURSES (Onsite + Online)

Onsite courses will be hosted at our new Thurles premises

Based on your feedback from our recent survey, we're pleased to offer first class CPD delivered by a team of specialists. Courses will be hosted at our brand new **education and advanced practical training** facility in central Thurles, which offers comfortable lecture facilities and a wetlab on site.

Delegate numbers are limited at these events to maximise the interactive experience for participants.

Upcoming Courses Include:

- Orthopaedic – Intro & Advanced
- Abdominal Emergencies
- Managing & Coaching Teams
- Telephone Skills
- ENT Surgery
- Feline Focus
- Critical Care
- Dentistry – Intro & Advanced
- Anaesthesia – Drug Selection, Monitoring & Rabbit Anaesthesia
- Practical Radiology for Vets & Nurses

For further information and booking,
